Dear Bruce:

This letter is written to express our appreciation to you and your team for the work done over the past year on our insurance program. CPG has taken the time to understand our insurance requirements and communicated these requirements to our broker.

Working with your team has improved our program from a coverage perspective while saving us premium dollars and increasing the service level provided by our insurance broker.

Your team has simplified the insurance process for our company and is always available to help with any day to day insurance issues that may arise.

We look forward to continuing our relationship.

Yours sincerely,

Steven J. Karrys
President & CEO
