Re: Insurance Advisory Service

Dear Bruce:

QHC wants to express our gratitude to you for your recent involvement and support in resolving our outstanding issues with our previous insurance company. We equally appreciate your assistance in preparing our Request For Proposal and all the necessary due diligence with the respective firms in advance of its release.

We are pleased to continue our relationship with you as you continue to bring forward strategies to assist us in managing the cost of the program while addressing our concerns regarding exposure to risk. We believe that you will continue to provide us with excellent support and guidance through this difficult process.

Yours sincerely,

Mike Prociw
